Have some fun in the sun...

...We have lots to look forward to this summer!

## News:

Our fundraising efforts during the Spring Term raised a grand sum of £517.60. Of this, £126.00 was from the crafts and cake sale at our Easter Extravaganza event, which funded prizes for the children's hat and garden competitions. Our popular Quiz Night raised a fantastic £263.60. This has helped finance a number of events and activities, costing us a total of £2,012. This included the following:

- Pre-School SeaLife Centre trip
- KS1 Goldilocks Ballet trip
- Subsidised trip to Longleat's Marvellous Monsters for Reception, Years 1, 2 and 3
- New percussion instruments
- Year 6 Leavers Hoodies and dictionaries
- Year 6 SATs Breakfast
- And a further two promethean boards have been bought, one of which was funded by FBNS

A trip to London was planned for years 3-6 but due to recent events alternative options will be considered for next term.

**Well done and grateful thanks to everyone for your generosity, both in time and money!**

## Charcoal Burn

This year saw our first Charcoal Burn event, which proved to be a hit, raising £128 so far, with a further burn planned later this summer! There are still some bags left, so at £6 per bag and profits for FBNS, make sure you buy your BBQ charcoal from Damian!
