Dear Parent/Carer,

**Re: Changes to Data Protection Law-introduction of GDPR**

On the 25<sup>th</sup> May 2018, the General Data Protection Regulation (GDPR) will replace the Data Protection Act 1998.

The regulations require schools, other public authorities and businesses to identify and justify the lawful basis for collecting personal data, how we keep it safe and will also strengthen your rights over your own data.

The point of this legislation is to make sure sensitive or private information about yourselves and your children stays safe. Whilst the GDPR is similar to the current Data Protection Act, there are a number of differences, so we are reviewing our policies and procedures across the Sherborne Area Schools' Trust, in order to ensure we continue to process information appropriately and securely.

In readiness for the introduction of GDPR, we have updated our privacy notice. We are required to inform you of the types of data we collect, why it is held and with whom it may be shared. Please find attached the privacy notice, which may also be viewed at [www.sast.org.uk](http://www.sast.org.uk) or [www.bucklandnewton.dorset.sch.uk](http://www.bucklandnewton.dorset.sch.uk)

If you have any questions about how the GDPR affects you, or how our school is preparing for this new legislation, you can contact the Trust's Data Protection Officer, Bella Byrne at: [DPO@sast.org.uk](mailto:DPO@sast.org.uk)

Yours faithfully,

**Steve Hillier**
