

<p><b>Geography</b></p> <ul style="list-style-type: none"> <li>• Locate the country on a map.</li> <li>• Which continent is it on?</li> <li>• Which countries/seas border it?</li> <li>• How many people live there?</li> <li>• What is the capital city?</li> <li>• Highest mountain/ longest river?</li> </ul>	<p><b>RE</b></p> <ul style="list-style-type: none"> <li>• What is the major religion of the country?</li> <li>• Holiest site for their religion.</li> <li>• Find out about one of their important festivals.</li> </ul>	<p><b>Food Technology</b></p> <ul style="list-style-type: none"> <li>• Find out about a popular 'dish' from the country.</li> <li>• Can you find a recipe and make it? Take a photo of the result!</li> <li>• How could you make the recipe better?</li> </ul>
<p><b>Modern Foreign Languages</b></p> <ul style="list-style-type: none"> <li>• Which language do they speak?</li> <li>• How do you say hello/goodbye/thankyou in the language?</li> </ul>	<p><b>History</b></p> <ul style="list-style-type: none"> <li>• Find out about an interesting historical fact about the country.</li> <li>• Find out the names of some past Kings, Queens or Heads of State.</li> </ul>	<p><b>Science</b></p> <ul style="list-style-type: none"> <li>• Find out about an interesting animal that lives there.</li> <li>• What does it eat? Where does it live?</li> <li>• Describe/draw its habitat or make a diorama from a shoe box!</li> </ul>
<p><b>Music</b></p> <ul style="list-style-type: none"> <li>• Find out about a famous composer or a musical instrument that is associated with this country.</li> <li>• Listen to their National Anthem. What is it called?</li> </ul>	<p><b>Art</b></p> <ul style="list-style-type: none"> <li>• Find out about a famous artist from this country and their work.</li> <li>• Copy a picture/sculpture that they have made.</li> <li>• Make a flag of the country - draw, paint or sew perhaps!</li> </ul>	<p><b>Other Interesting Information</b></p> <ul style="list-style-type: none"> <li>• What else have you found out that would be interesting to add to your project? <i>Famous landmarks, currency etc.</i></li> </ul>

You can present your research project in any way to the class - booklet, poster, PowerPoint etc  
 Have fun and I look forward to seeing you all when we return. Mrs Croft

## More Science, Art/DT and PE Ideas to keep you learning!

### Science

- Build a micro habitat for the minibeasts in your own garden.
- Find out what your favourite animals eat and make paper- chain 'food-chains' to show how the energy is transferred.
- What animals have made their homes in your garden? Keep a log-book to record what you find.
- Make a habitat diorama out of your recycling
- Plant some seeds and look after them. Draw what they look like when they start to grow.
- Grow your own vegetables.

There are lots of science clips and activities on BBC Bitesize website

<https://www.bbc.co.uk/bitesize/subjects/z6svr82>

### Art/DT

- Find out about the life of a famous artist. Create a new version of one of their pieces of art in your own style.
- Make your own aquarium scene out of Playdoh.
- Paint a picture of your garden in the style of Van Gogh.
- Draw a portrait of someone in your family
- Make a mini beast collage in the style of Eric Carle
- Find out more about Eric Carle on <https://eric-carle.com/>
- Write and illustrate a short story in the style of Eric Carle

### PE

- Research more dances from around the world. Can you learn one to perform at school? There are three on this website or you could search for your own:  
<https://www.bbc.co.uk/bitesize/topics/zdjncw/resources/1>
- Make an obstacle course in your garden
- Set up a 'Mini Olympics' in your garden with members of your family. Include skills such as: throwing, jumping, skipping and running.
- See how many balances you can remember from Gymnastics last term. Time yourself balancing!
- Try out your balances by doing some yoga. Cosmic Kids have lots of great tutorial videos on YouTube.
