

School Closure Project

Our next new topic is 'Earth and Space'. We would like your child to complete some of the following activities, and you are more than welcome to assist. The more creative the better!

<p>Visit the BBC bitesize web page: https://www.bbc.co.uk/bitesize/topics/zkbbkqt and investigate the video clips and questions they explore.</p> 	<p>What type of food do astronauts eat? Can you design and make an astronaut meal? Or design, bake and decorate your own space cookies?</p> 	<p>Can you explain why we experience day and night? Draw diagrams to explain this.</p> 	<p>Can you design your own space suit? How are space suits made? What important features do they need?</p> 	<p>Can you create a model of our solar system? What key information can you discover about each planet?</p> 
<p>Can you research the space race? Who has been to the moon and how did they get there? What other interesting facts can you discover about space travel? What is the International space station?</p> 	<p>Can you create a 2D picture / painting collage inspired by Space?</p> 	<p>What can you discover about the constellations of stars in our universe? Can you draw any of them? Can you find them in the night sky? (skyview lite app)</p> 	<p>Can you create a short film or Powerpoint about the sky at night? What are the Northern Lights?</p> 	<p>Can you write a poem about our solar system, space, Earth or the moon? Eg Silver by Walter de La Mare</p> 
<p>Can you create a moon diary and follow the moon for a month? Draw a picture and write a description of what the moon looks like each evening. (You may need to go online to discover this if it is a cloudy evening!)</p> 	<p>Research how we discovered that the Earth is not flat.</p> 	<p>Can you write a sci-fi story? Perhaps you could explore some sci-fi movies to help with ideas. Eg Flight of the Navigator, Short Circuit, ET, A wrinkle in time, WALL-E, etc</p> 	<p>Can you design and create your own alien?</p> 	<p>Can you think of 50 exciting adjectives / adverbs that you could use to describe Earth, Space and our Universe?</p> <p>iridescent</p>
