Issue 2- October 2025

Our school value for this half term is THANKFULNESS

Our Big Question for this week: What can we learn from people that are different from us?

IN THE NEWS

Sherborne Young Voices

Henry, Callum, Lilliana and Charlie joined young people from across our Trust at the launch of the SAST Student Voice programme this week. They visited Sherborne Abbey Primary, and took part in great discussions with their peers on what is important in education, what is working well and what they would like to see improved. It was great to see them mixing with students from other schools and chatting about the opportunities they believe all children should have in education. We look forward to meeting up with the schools again as we take this programme forward.

Football V Bradford Abbas

On Wednesday we had a brilliant football match against Bradford Abbas school. The match was a close contest and was end to end at times with lots of chances for both teams. After a great first half Tommy managed to score with a fantastic finish and the game ended 1-0 to Buckland. The game was played in a fantastic spirit and the children were a real credit to our school.

Super Science in Willow Class

Over the past 3 weeks, the Year 6 children in Willow have had some amazing Science lessons with the children from the Sherborne Girls school looking at lots of different aspects of Science. These sessions are all practical and involve lots of fantastic resources that are all provided by the girls school.

HARVEST FESTIVAL

We are all looking forward to our Harvest Festival next Friday 17th October from 2pm at church (weather dependent). We will be sharing lots of lovely work and songs with you to celebrate this special time of year. Everyone is very welcome! We will start taking donations for this from next week. Please see the list for Sherborne Food Bank on the reverse.

NEW LEADERSHIP ROLES

We are delighted to have announced some new leadership roles within the school over the past two weeks. We now have 6 new House Captains, 3 Sports Ambassadors and 10 new Leading Lights. Well done to all of these children, we are very proud of you!
